

Angelo's Cabarita Covid-19 Customer Safety Plan August 2020

Thank you for supporting Angelo's Cabarita. In these unprecedented times we are requiring all customers to adhere to the following as part of the NSW Covid-19 Health Regulations.

During your time at Angelo's our aim is to provide you with not only a delicious and enjoyable event but a safe one. If we all follow NSW Health Regulations then we collectively reduce the opportunity for any of us to contribute to the spread of Covid-19. In that spirit, we ask that you:

1. Please make sure that if you or your guests are unwell or have any symptoms associated with Covid-19 such as fever, coughing and sneezing, that you do not come to our venue. **We reserve the right to refuse entry to any patrons who are unwell** and do not want to offend if this is the case
2. All guests should **exclude themselves** from visiting Angelo's Cabarita **if they have attended any of the reported case locations on the [NSW Health website](#)**;
3. Before entering our venue, please use the hand sanitizer placed at the entrance.
4. All guests are required to sign in at our front desk. We recommend using our contactless QR App however for those who don't have a smart phone, we have a pen and paper option. The pen is disinfected after each use.
5. Please do not linger outside the venue.
6. Whilst in venue please practice social distancing and maintain a minimum of 1.5m between yourself and anyone not in your party.
7. **WASH YOUR HANDS** with warm water and antibacterial hand wash provided for you for a minimum of 20 seconds when using the bathroom.
8. Patrons must remain seated (except when using the bathroom) at all times including children. NSW Health Guidelines has stated that guests are not to mingle, sing or dance in venue (with the exception of a Wedding Reception where only the Bride and Groom are permitted to dance)

To ensure the safety of all our valued guests, tables and chairs are disinfected after each sitting and have been measured to be 1.5m from the nearest table. Staff regularly wash and sanitize their hands including after touching any menus, cutlery, crockery or stemware.

The venue is sanitized every evening.

It will be assumed that you agree to the above requirements if you enter our venue and we thank you for being so understanding of the requirements we are expected to adhere to.
