## LEGACY

Delve into the rarities of our Wine Museum at Angelo's Cabarita, an exclusive collection curated by Ross Anderson, celebrated director of the Global Fine Wine Challenge.

This exceptional selection comprises wines aged to perfection, sourced from suppliers who employ meticulous storage practices in climate-controlled Sydney vaults.

A wine museum, by its nature, features vintages of extraordinary pedigree and limited availability, each carefully preserved under ideal conditions. We invite connoisseurs to savor these unparalleled wines, available in extremely limited quantities, making each bottle a treasure to be experienced.
